"Books of the Bible"

NOTE: For the summer months, we will be working on the memorization of the "Books of the Bible". Many have already accomplished this task, but our goal is that all would have this detail of bible memorization completed and fluent. Please help your child memorize not only the book, but also the "breakdown" of categories. I would encourage you to help them memorize each weeks "books" and continue to add the next week's list to the previous week. (ie. Books of the Law: Genesis, etc. ... Books of History, Joshua, etc.) This will aide in the last week of memorization when the students will need to complete the entire testament.
